What can you tell me about iPlay America?

iPlay America is almost 4 acres of indoor entertainment that truly offers something for everyone. iPlay America hosts indoor rides, exciting attractions, over 250 arcade games, party rooms and multiple concessions sure to please any taste. An exciting state of the art indoor theme park: where the city meets the boardwalk!

How does the unlimited ride band work?

Show your ride band at the included rides for unlimited access all day. Ride bands are 1 per person. Participating adults on any ride require an unlimited band OR an iPA Game card with credits to ride.

What is an iPA Game Card?

iPlay America uses an advanced debit card that gives you access to our rides, games and attractions. iPA Game Cards can be purchased at the Welcome Center or at one of our ten self-service kiosks located throughout iPlay America. iPA Game Cards are used for both credits and our "Add to the Fun" packages. Credits purchased on an iPA Game Card are based on a pay as you go system. "Add to the Fun" packages are for use day of purchase. Credits never expire.

What are the benefits of registering my iPA Game Card?

Having a registered iPlay America Game Card entitles users to cardholder benefits via email. Plus, if you lose your card, your credits and iTickets can be replaced.

What is the difference between a Gift Card and an iPA Game Card?

iPA Game Cards with credits can be directly swiped for rides, games and attractions. Credits are not applicable towards food or retail purchases. iPA Gift Cards can be directly swiped for rides, games and attractions, as well as used as monetary value at the Welcome Center, Top Golf Swing Suite or any of our concessions. Gift Cards do not accrue bonus credits.

What forms of payment are accepted at iPlay America?
